

GDSF 2022 Trader's WiFi Conditions and Terms of Use

Access to the Trader's wireless network is granted subject to the following conditions. Failure to meet any one of these conditions may result in your device being blocked from the network and you being unable to use the service.

- Your device should be up to date with all patches and operating systems installed.
- Your device should be newer than an iPhone 6s, running Android 5.1 or Windows 10. Versions prior to this, Symbian or Windows RT are not supported. IOS devices must be using Version 12 or better.
- Your device should be virus and malware free. Suspicious activity will be detected and blocked without any human intervention which may lead to your device being barred from the network.
- Your device should ONLY perform payment transactions on this network. All updates and downloads should be done before connection to the network.

Terms of use

Any individual connected to the Trader's Wireless Network, herein referred to as the Wireless Network, in order to use it directly or to connect to any other network(s), must comply with this policy, the stated purposes and Acceptable Use policies of any other network(s) or host(s) used, and all applicable laws, rules, and regulations.

REALITYTECH UK AND THE GREAT DORSET STEAM FAIR LTD MAKE NO REPRESENTATIONS OR WARRANTIES CONCERNING THE AVAILABILITY OR SECURITY OF THE GUEST WIRELESS NETWORK, AND ALL USE IS PROVIDED ON AN AS-IS BASIS. BY USING THE WIRELESS NETWORK YOU AGREE TO DEFEND, INDEMNIFY, AND HOLD HARMLESS REALITYTECH UK AND THE GREAT DORSET STEAM FAIR LTD FOR ANY LOSSES OR DAMAGES THAT MAY RESULT FROM YOUR USE OF THE GUEST WIRELESS NETWORK.

RealityTech UK and The Great Dorset Steam Fair LTD take no responsibility and assumes no liability for any content uploaded, shared, transmitted, or downloaded by you or any third party, or for anything you may encounter or any data that may be lost or compromised while connected to the wireless network.

RealityTech UK reserves the right to disconnect any user at any time and for any reason. The wireless network is provided as a courtesy to allow our traders access to the internet to process payments only.

Inappropriate use of the wireless network is not permitted. This policy does not enumerate all possible inappropriate uses but rather presents some guidelines (listed below) that RealityTech UK may at any time use to make a determination that a particular use is inappropriate:

- Users must respect the privacy and intellectual property rights of others.
- Users must respect the integrity of our network and any other public or private computing and network systems.
- Use of the Guest Wireless Network for malicious, fraudulent, or misrepresentative purposes is prohibited.
- The wireless network may not be used in a manner that precludes or hampers other users access to the network or other any other networks.
- Nothing may be installed or used that modifies, disrupts, or interferes in any way with service for any user, host, or network.
- Access to the trader's network is provided as a service to traders at the event for the processing of payments and for no other use. Use of social media, streaming services, web browsing and other applications is strictly prohibited and will result in your device being blocked from the network.
- You will not use the network to access illegal, immoral, hateful or pornographic material. Full co-operation will be given to law enforcement in the case of any prosecution.

Decisions taken regarding access to or use of the network are final.
